## SUMMARY OF STUDENT BEHAVIOR EXPECTATIONS

I, \_\_\_\_\_, understand and agree that while enrolled as a student at Legacy High  
(Printed Student Name)

School, Legacy OnLine Advantage, REACH, or in the CATS program, I will adhere to the following set of general Student Behavior Expectations. This summary is not meant to be all-inclusive. Individual teachers may establish their own additional expectations of which I understand and agree I must also comply.

- It is the mission of the Kennewick School District to provide safe, productive, and positive learning environments for students. To that end, each student must comply with the rules of conduct identified in KSD Policy 3240. Disruptive behavior is not acceptable in the classroom, in other areas of the school campus, nor at related school activities. Violations may result in corrective action or punishment imposed by authorized employees of the District.
- Legacy High School, Legacy OnLine Advantage, and REACH maintain closed campuses. Once a student enters the campus, he/she may not leave until the end of his/her school day, is leaving to attend another educational program (such as Tri-Tech), or has been checked out of school by his/her parents/guardians. Students may not leave the campus during lunch. Students must either purchase school lunch or bring their own lunch with them to school. Exceptions to this restriction may be approved by the appropriate school personnel.
- In the interest of student and staff safety, each student and his/her personal possessions may be subjected to search any time the student is on campus.
- Students may maintain conditional possession of their electronic devices (Smart phones, cell phones, I-pods, MP3 players, and other similar devices) while on campus. However, electronic devices may **NOT** be used during class time without teacher/staff permission. Students who violate the electronic use policy will have their devices temporarily confiscated, and with repeated violations, may lose the privilege of using electronic devices onto campus.
- All gang-related behaviors are prohibited while on the LHS campus or in its immediate vicinity. Each student will sign, as a condition of enrollment in LHS programs, and comply with the provisions of the LHS Gang Activity Prevention Agreement.
- Each student must comply with the student dress provisions identified in KSD Regulation 3224. Clothing must be conducive to learning, orderliness, safety, and must not disrupt the educational environment. Clothing should be appropriate for an employment setting. Modesty, good taste, and the proper educational atmosphere are the focus. Clothing must not allow indecent exposure and may not contain vulgarities, sexual connotations, or drug, alcohol, tobacco, or gang references as specified in KSD Regulation 3224.
- In order to ensure respect and prevent harm, it is a violation of District policy for a student to be harassed, intimidated, or bullied (including cyber bullying) by others in the school community, at school sponsored events, or when such actions create a substantial disruption to the educational process. Accordingly, each student will comply with the provisions of KSD Policy 3207.

- It is generally expected that each student will be enrolled as a full-time student during each term, taking a sufficient number of courses, including those offered by Tri-Tech and/or Running Start, to work toward meeting graduation requirements. Part-time enrollments may be scheduled when exceptional circumstances necessitate such an arrangement.
- For students enrolled in the Legacy OnLine Advantage program, an additional set of program-specific expectations, available for review at the Legacy OnLine Advantage office or on the Legacy High School website, are included here-in.
- Students who are in their 5<sup>th</sup> year (or more) of high school enrollment, as a condition of continued enrollment in educational programs accessible through Legacy High School, must sign and comply with the provisions of the LHS 5<sup>th</sup> Year Senior Academic Performance Agreement.
- Regular school attendance is necessary for mastery of the educational program provided to students. Students are expected to attend all assigned classes each day. It is recognized that, at times, students appropriately may be absent from class. Accordingly, each student must comply with the provisions of KSD Policy 3122 and KSD Regulation 3122.

Violations of these expectations will result in disciplinary action, which may include, but is not limited to, compliance with student-specific behavioral and/or attendance agreements; detention; loss of privilege, access, and/or credit; short-term or long-term suspension; emergency expulsion; or expulsion. This agreement goes into effect immediately, and will not expire while the student is enrolled in Legacy High School, Legacy OnLine Advantage, REACH, or in the CATS program.
